

Name	Developer	Producer	Genre	Operating System	Date Released		
A-Men 2	Bloober Team	Bloober Team	Adventure, Puzzl	Microsoft Windows	2015		Insight / Observation: What I observed from creating histograms is that histograms provide valuable insights about trends and patterns overtime. Knowing these patterns can help other developers, stakeholder, and etc. to strategize for future releases that will be able to maximize their possible profits and to avoid competition from other companies.
A-Train	Artdink	Artdink, Maxis, O	Vehicle Simulatio	Windows, Mac	1995
